CITY OF PORTSMOUTH

MEMORANDUM

TO: Honorable Mayor Robert Lister and City Council Members  
FROM: M. Christine Dwyer and Brad Lown, Fee Committee  
DATE: May 1, 2014  
RE: FY '15 Fee Schedule  
CC: John P. Bohenko, City Manager  
Judie Belanger, Finance Director

---

The Fee Committee met March 10, 2014 to review the City's fee schedule. As in the past, the city's fee schedule will be listed in the appendix portion of the budget book (The Proposed Annual Budget 2014-2015, Appendix III). A resolution is scheduled to be voted upon by the City Council June 2nd requesting the acceptance of the fee schedule in conjunction with all other budgetary resolutions, which will make a majority of the fees effective July 1, 2014.

It is important to note that the fees represented in the fee schedule, excluding the parking fees, historically raise approximately 1% of General Fund Revenues.

The respective department heads reviewed all current fees. Proposed fee changes were submitted where deemed necessary to cover rising administration costs, operating costs, or were suggested by consultants. After a review by the Finance Department, the Fee Committee held a meeting to review the proposals.

Following is a summary of the requested fee changes by department.

**Planning Department:** Requested changes to most of their fees due to administration costs. In addition, a fee was added for the proposed Character Districts to cover the costs associated with both the complexity and staff time involved with projects in these districts.

**Public Works Department:** Requested increases to excavation permits, disposal of electronics and yard waste by contractors due to operating costs. Added rental fees for City owned items used by organizations during their events held within the City. These rental fees will be waived for Portsmouth based non-profits.

**Water and Sewer Divisions:** Requested increases to approximately one third of their fees. All the changes are based on recommendations from the City's rate model contractor.

**Parking Division:** With the passage February 3, 2014 by the City Council to increase hourly usage rate of the High Hanover Parking Facility from \$0.75 to \$1.00 per hour (a 33% increase), the Parking Division has requested an increase to the monthly pass rates within the facility as follows:

Pass Type	Current Monthly Rate	Requested Monthly Rate	% Change
12 Hour-Night	\$50	\$65	30%
12 Hour-Day	\$80	\$110	37%
24 Hour	\$100	\$135	35%

Note: Because of logistics these rates would become effective August 1, 2014  
 Estimated FY 15 increase in revenue from the change in monthly pass rates is \$240,000. The monthly pass rates have not been increased since 1997.

**Library:** Increased all non-resident card holder fees to a level which is fair to the taxpayer's of Portsmouth, has a reasonable market value and brings added value to the Library. These rates have not been increased since FY 09.

**Prescott Park:** Increased all resident and non-resident docking fees in anticipation of improvements to be made to the Prescott Park docks.

The Fee Committee believes the annual review and authorization of fees is essential to keeping in step with rising costs of doing city business and also to review existing and potential fees for reasonableness. We recommend your support of the fee schedule as presented in the Proposed Annual Budget 2014-2015, Appendix III. Thank you.
