- First Seniority Freedom (Harvard Pilgrim Medicare Plan)

Fight the Flu!

Both Flu Shots Are Now Available

Portsmouth Regional Hospital, Maxim Health Systems and the Fox Run Mall are partnering to present a flu clinic for BOTH the seasonal flu and the H1N1 (swine flu) vaccine.

The H1N1 (swine flu) vaccine is FREE.

The seasonal flu vaccine is \$30, or FREE with insurance plans listed here.

Everyone age 9 and up is eligible for either vaccine.

Supply problems and manufacturing delays have been resolved. Now is a good time to take advantage of this opportunity to protect you and your family against both flu strains.

The Centers for Disease Control and Prevention is encouraging anyone who wants to reduce their risk of getting the flu to get the vaccine, including:

- Young children
- Pregnant women
- People with chronic health conditions
- People aged 50 years and older
- Caregivers
- Anyone who wants to stay healthy
