Expanded Description of Work: _____	

When doing remodeling, provide sketch of work area.

If structural work is involved, provide framing information in sketch format, in plan view or with cross section(s).

I certify that the information given is true and correct to the best of my knowledge. ***No change from the above information will be made without approval of the Building Inspector.*** Construction activities shall not commence until the Building Permit is issued. I realize that when all necessary approvals have been acquired, a Building Permit may be granted by the Building Inspector to allow construction or remodeling in conformance with this application and the plans/specifications submitted in support of said construction or remodeling only.

Painting and remodeling in dwellings and commercial child care occupancies built before 1978 require all work to be in conformance with Federal EPA rules concerning lead paint. All contractors shall be certified as required by these rules.

I further acknowledge that the proposed structure or improvements shall not be occupied or otherwise utilized without the issuance of a Building Certificate of Occupancy and only after all necessary inspections have been requested and completed. I am also aware that the disposal of waste generated from this project is my responsibility and not part of the City's Trash/Recycling Program.
