Public comment: Seeing no one that wished to speak, Chair Whelan closed public comment at 2:03.

Those present discussed the schedule for the April 20, 2021 public meeting for which Mr. Preston organized a forum to encourage dialogue. He said the plan was to discuss survey results from the second round table, go into breakout rooms and come back to the forum as a group to go through it all including Q&A. He estimated 1.5 – 2 hours to complete. The headcount was 158 at the time of the meeting.

Those present discussed using input platforms rather than verbal report back due to the large number of people. They discussed feedback methods to ensure accuracy and to ensure they get all the comments back.
