- Discussion and work session the Report Format
 - Style and cohesiveness
 - Sections and order of presentation
 - Graphics
 - References
- Review of Report Sections to date

Purpose/Charge

1. How the City and Portsmouth Private Historical Organizations can join together to create a facility that meets the needs of archiving important records.
2. How the pertinent materials are identified and judged as vital; what should not or cannot be included? What qualifies as Portsmouth history?
3. What archiving methods should be used for each type of material to assure each type is protected effectively?
4. What space will be required for such an effort? How will the space be identified, procured and maintained?
5. How will the ongoing efforts be funded? What are the opportunities for establishing trust funds, local and state monies and private contributions?
6. How will the archives ongoing leadership and management be structured and Implemented?
